NOTE: Students who took an **ALEKS UNPROCTORED (MA 700) between 05/12/2016 and 05/12/2017** will be permitted to register based on ALEKs scores current at that time. Scores **MUST STILL** be within the last 12 months. (Ex.: A student who took the ALEKs on 7/14/2016 and scored a 50 would be allowed to register for M-118 through 7/14/2017. As of 7/15/2017 the score is expired and the student would then need to meet the above criteria. See below for the prior ALEKs scores for each course from above:
