Getting Started With Mylabs Plus

WHAT IS IT? MyLabsPlus is an interactive website where you can:
- Complete your graded online homework and get immediate feedback.
- Self-test to improve your math skills.
- Study more efficiently.
- Create personalized study plans with exercises that match your book.
- Get help when you need it. Includes multimedia learning aids like videos and animations.

WHAT DO I NEED TO GET STARTED?
- A MyLabsPlus Student Access Code, packaged with your book (you may also purchase online using a credit card)
- Access to your instructor's Oncourse class page

WHAT STEPS DO I TAKE NEXT?
- Log into Oncourse and open your class page.
- Look for the MyLabsPlus link on the left-hand side of the page. Click this link and MyLabsPlus will open in a new window.
- Once you have completed the registration steps below, access to MyLabsPlus will continue to be through the Oncourse link above.

NOTE: If you already have an access code (that you believe is valid for this course) or plan to purchase one online...
- The first time you click on an assignment or learning aid within your course, the License Agreement and Privacy Agreement page will appear. Click I Accept once you have read and agree with the terms of use.
- You will now be prompted to enter your MyLabsPlus access code or purchase online. To enter your access code, select the Access Code option, enter your code, and click Next.
- If you prefer to purchase online using a credit card or PayPal, select the Buy Now option and click the product link to complete your purchase.
- Once you have successfully entered your access code or completed an online purchase, you will receive a confirmation page and may now continue working.

NOTE: If you would like temporary access so that you may start doing homework immediately...
- Select the Temporary Access link and a code will be immediately returned. This code will provide you with temporary access for the first twenty-one days of your course. The homework scores that you acquire during this period will be saved and remain in the system under your login (through Oncourse) once you have purchased access.
- The first time you click on an assignment or learning aid within your course, the License Agreement and Privacy Agreement page will appear. Click I Accept once you have read and agree with the terms of use.
- Next, select the Access Code option, enter your temporary access code in the boxes provided, and click the Next button.
- The first time you click on a MyLabsPlus assignment or learning aid after the 21-day temporary access period has expired, you will be prompted to enter your MyLabsPlus access code or purchase online. Note: If you choose the temporary access code option, you must wait until the temporary access has expired to enter the purchased code.
- To enter your access code, select the Access Code option and follow the directions above.
