

IUPUI Graduate Application: Supplemental Questions

Before beginning the Supplemental Questions survey you should have your CV and your transcript(s) available and have investigated the Department of Mathematical Sciences Graduate Programs and faculty (optional) that may be of interest to you. The Supplemental Questions are a required component of your graduate application, along with the other application materials listed on the Department of Mathematical Sciences website: www.math.iupui.edu.

Please answer all of the questions to the best of your ability. Once you have completed the Supplemental Questions survey, please double-check to ensure all of your answers are accurate before submitting this form with your application. This survey can only be submitted ONCE. Please type your responses, print this form as a PDF, and then upload this form to your IUPUI graduate application and then submit.

1. General Applicant Information

First Name on Application:

Last Name on Application:

Email Address on Application:

2. Academic Background

Overall GPA (if you have multiple degrees, list each degree and the associated GPA):

Bachelor's

Institution:

Degree:

Accumulative GPA (please include the scale):

Master's (if applicable)

Institution:

Degree:

Accumulative GPA (please include the scale):

3. Program of Interest

Please indicate your program of interest (if multiple interests, please number your interests with 1 being your first choice):

Master of Science in Mathematics with a concentration in:

Pure Math

Applied Math

Applied Statistics

Math Education

Program of Interest (Cont.)

Doctor of Philosophy in Mathematics with a concentration in:

Pure Math

Applied Math

Statistics

Other:

4. Attending Status

Do you plan to attend full-time or part-time?

Full-time (at least 9 credit hours each semester)

Part-time (less than 9 credit hours each semester)

5. Financial Assistance

Are you interested in receiving a fellowship or assistantship from the Math Department?

(Note that you must be a full-time student to be considered for assistance.)

Yes

No

6. Faculty Interest

Please list any faculty in the IUPUI Department of Mathematical Sciences whose research interests you (if applicable).

Faculty member:

Research area:

For a list of faculty and their research see <http://www.math.iupui.edu/people/faculty.php>.

7. How Did You Hear about Us?

How did you hear about the IUPUI Department of Mathematics Sciences?

American Mathematical Society (AMS) advertisement

Graduate School Fair

Our website

Current faculty member in the IUPUI Department of Mathematical Sciences. If so, who?

Current student in the IUPUI Department of Mathematical Sciences program. If so, who?

Faculty member at your current institution. If so, who?

Other:

8. Additional Information

Is there anything else you would like us to know?

9. Don't forget to print!

Please remember to print this form as a PDF document and then upload it to your online application for submission. Thank you for your assistance!
