

UCOL-U 110 MATH PILOT

Did student successfully complete mid-term exam?

Yes

No

Student may be granted permission to enroll in MATH 11000 for Spring 2016 and will continue enrollment in current UCOL-U 110 course.

Student will be advised to register for Ivy Tech's MATH 023 for Spring 2016 and will need to switch to a different UCOL-U 110 section not connected to math.

Did student successfully complete final exam?

Yes

No

Student may remain in MATH 11000 for Spring 2016.

Student will need to drop MATH 11000 for Spring 2016 (if enrolled) and take MATH 023 at Ivy Tech before moving forward with the mathematics curriculum.
