Completing the Plan of Study

1. You will be taken to a page that asks you about basic information needed to create a plan of study – your campus, degree granting department, first semester of graduate study at Purdue (IUPUI), and e-mail address. Fill in your appropriate information. For “First semester of graduate study at Purdue” (IUPUI), the formatting is as follows:
   - Summer 2016-17 represents the summer semester of 2017.
   - Fall 2016-17 represents the fall semester of 2016.
   - Spring 2016-17 represents the spring semester of 2017.

Your e-mail address is used for any notifications related to your plan of study. (Be sure to use one you check often, and confirm that it is entered correctly!)

For more specific help with this page, click on the “Help” button. When you wish to proceed, click on “Process and Continue.” Warning message(s) may appear if there is any missing information, in which case make the appropriate correction(s) and click on “Process and Continue” again. Click on “Cancel” to erase this plan of study draft entirely.

Next you will be taken to a page that asks for your degree title (Master’s, PhD, etc.), non-thesis/thesis track, and the date you anticipate receiving your degree.
2. For “Degree Date Expected,” the formatting is straightforward and abides by May 2016 representing May of 2016 and so forth. For more specific help with this page, click on the “Help” button. When you wish to proceed, click on “Process and Continue.”

3. After clicking “Process and Continue” you will be taken to a page with 5 main links. You will complete each item in order. Completing each section will return you to this page:
a. Student and Degree Information:
   o Here you will be able to enter your basic academic information.

b. Research Area and Concentration
   o Here you will be able to enter information related to your research area and concentration(s).

      - Be sure to check the box in the “Use” column to upload the course onto your plan of study.

   - Be sure to fill in all the required information marked with a red asterisk (*). When you are finished, click on “Add”.

The action buttons for each row (Add, Modify, Delete) are the right most column. If the action buttons are not visible, use the horizontal scroll bar to view the entire row. You must fill in each row, then click on the Add button to add the row. After a course has been added you may modify or delete the information.

"Process and Continue" will process this page and display any errors. If no errors are detected then the next page of the plan of study generator will be displayed.
b. Advisory Committee

- This page is split into 2 window frames:
  - The top frame can be scrolled downwards and has an “Add” button for adding a faculty member.
    - Note: The “Faculty 4+5 Code” is unique for each faculty member and can be looked up using the search function in the bottom frame.
  - The bottom frame is used to search for faculty based on his/her department.
    - To search for a faculty member, select a department first.
    - Then click “Search”
    - Use the Faculty 4+5 code in the top frame.
  - First, use the department search drop down box in the bottom frame to find the faculty member
  - Type their Faculty 4+5 Code in the top frame.
  - Click “Chair,” “Co-Chair,” or “Member” as appropriate for each faculty member.
  - Then click “Add”
  - The “Advisor Name” should then be automatically populated indicating your faculty member was successfully added.
    - Note: If there are any errors, error messages will be displayed after you click the “Add” button.
    - Note: For multi-person committees, you can have 1 Chair and Members, or 2 Co-Chairs and Members. You cannot have 2 Chairs, or more than 2 Co-Chairs.
    - Note: More than 50% of your advisors must be Regulars (as opposed to Specials).
    - Note: A Special appointed faculty member must be specifically appointed for the department of your PoS.
  - If a faculty member you’d like to add to your committee is creating an error (and it is not caused by any issue noted above), save your Plan and check with your department graduate advisor.
Comments and Special Notes

- Here you can enter information that may be required by your department, or a justification of any exception to the Graduate School policy related to your plan of study.
- Enter a subject regarding your comment/special note in the “Subject” line.
- Enter a text regarding your comment/special note in the “Text” box.
- When you are finished with your note, click “Add”
- When you wish to proceed, click on “Process and Continue”
4. After entering your information on the 5 main links, it is recommended you click on the “Preview Plan of Study” button to preview your plan of study for accuracy and completeness and see if any changes need to be made.
5. After you are reasonably sure you have finalized your plan of study draft, you have 3 ways of proceeding.

   o **Save without Submitting**
     i. It is recommended to use “Save without Submitting” if you are not done with the rough draft of your plan of study and want to come back later to make changes. Your saved plan of study can be reviewed by the appropriate staff before your final submission. You will more easily be able to make changes later if you wish.

   o **Submit as Draft – Not Required Step**
     i. “Submit as Draft” is used to submit the rough draft of your plan of study for further review by the appropriate staff before your final submission. This option will not actually finalize your plan of study, so you will be able to make changes later if you wish.

   o **Submit as Final**
     i. “Submit as Final” will submit your plan of study to all relevant staff and begin the process of approval. You will not be able to make any additional changes after this point, apart from submitting a Change to the PoS request.

“Delete this Plan” will delete this plan of study draft entirely, so it will no longer exist in your record and cannot be accessed again.

![Image of Purdue University Graduate School Form]

After you click on either “Save without Submitting,” “Submit as Draft,” “Submit as Final,” or “Delete this Plan,” you will be taken back to a page of all plans of study created on your account. The word “Edit” will appear next to any SAVED or DRAFT plans of study (i.e. plans of study that you have yet to submit) and “View” will appear next to any OUTSTANDING or APPROVED plans of study (i.e. plans of study that are awaiting signatures or have completed processing).
