Note: The eText version of the textbook is accessible through MyLabsPlus (MLP), which is included in the cost of this course. Click on the MyLabsPlus link in the Canvas site for this course to see the textbook and to work on and submit the homework.

**MLP DUE DATES:** Each MLP assignment closes at 6:00 AM on the seventh day after the section is scheduled for discussion (except over spring break*). This gives you at least six days to work on the problems, and this period always includes a weekend. For example, the homework for sections 1.5-1.6 must be submitted by 6:00 AM on 01/14M. Once an assignment is closed no further work can be submitted. The MLP “Due Dates” shown below are recommended due dates (to help you remain current).
